SOCGER COURSES  
FEBRUARY - MAY  
2017

## Our Courses

Our courses are aimed at developing children's football in a safe and fun environment. All our lead coaches have years of experience teaching in schools and coaching sport. They are assisted by our Academy 3rd years who are undertaking a sports qualification whilst still playing for Woking. Our days begin with registration, once this is complete, children join in with the arrival activity, this is followed by an hour and half of technical and skill practices to help the children develop. After their lunch break, children will take part in their age group specific tournaments.

At the end of the week, we have our presentation, where individuals and our winning teams are awarded with trophies. All children will also receive a ticket to a home Woking game and a gift for taking part in the week.
