

Payment for season tickets by instalments

In addition to the “early-bird” discounted season tickets, Woking Football Club offers the option (for those not taking up the early-bird discount) of paying for your season ticket by instalments.

You will need to make an initial payment on application and then five further instalments payable on 1 August 2013 and monthly thereafter through to the final payment on 1 December 2013.

Payments due for each type of season ticket are as follows;

Type	Initial payment on application	Monthly payment due 1 August 2013 to 1 December 2013	Total payments
	£	£	£
Adults	50.00	45.00	275.00
Concessions	30.00	26.00	160.00
Under 16s	10.00	8.00	50.00
Disabled	25.00	20.00	125.00
Family	55.00	53.00	320.00

How to apply

To take advantage of the instalments scheme, please write “Payment by Instalments” prominently across the top of your season ticket application form - payment can be made either by giving your credit card details in the space provided on the application form or by enclosing six cheques, one dated immediately for the initial payment and five post-dated to 1 August 2013, 1 September 2013, 1 October 2013, 1 November 2013 and 1 December 2013 for the monthly payment.

Warning

Should any payment due under this scheme fail to be met for any reason outside Woking Football Club’s control, we will incur additional costs in administrative time, bank charges etc. For this reason, any unpaid instalments will result in;

- The season ticket will be immediately suspended
- No refunds will be due
- The season ticket will be reinstated on payment for the full amount of all outstanding instalments along with an additional charge of £25.00 to cover our administrative and other costs.
