Seymours Annual Golf Day

On September 12th, the club were honoured to be invited by Seymours Estate Agents to their annual Charitable Golf Day in aid of Woking & Sam Beare Hospice.

Raising nearly £20,000 for WSB, first-team manager Michael and Assistant Ben delighted a packed audience with their riveting Q&A, before WFC auction donations raised over £2,500 on the night.

It was a wonderful day for all involved, and we thank Seymours Estate Agents for involving the club.

"It was a privilege to represent the club at Seymours Annual Golf Day." Said WFC Sales Administrator, Isaac Harris.

"As a budding golfer, it was an amazing experience to hit the links at such a fantastic golf course, and in aid of an even more fantastic charity. It's collaborations like these that underline the importance of local community collaborations" Harris added.

Grassroots football teams & match-day mascot experiences

The club were delighted to invite Meadow Sports U11 to lead out the first-team last weekend, and will be extending the invite to more grassroots football teams as the season progresses. Working in tandem with community coaches, we hope these experiences will help inspire the next generation of Cards!

Our Partners in the community
