

The Community Column

4th Edition

Welcome to the 4th Woking Football Club Community Column, kindly sponsored by Bidfood.

I'm a Director Get Me Out Of Here! 2025

I am delighted to be participating in this years IAD25 for Crossroads Care Surrey – and even more honoured to be hosting this years event at the Laithwaite Community Stadium. Taking place on May 17th, CCS are looking for participants – please click their logo to learn more about how to get involved.

Work Experience Projects Expanded

The club were delighted to welcome **halow** back this month to continue their work experience programme – this partnership enters it's fourth year with the club and working with the young people involved is the highlight of our week! We have also extended these opportunities to another 3 charitable groups supporting young people in Working & Guildford.

WFC X Woking & Sam Bear Hospice – Tamworth Takeover

The club are looking forward to welcoming WSBH staff, volunteers and supporters to our game against Tamworth on the 15th February. We have donated over 80 tickets to supporters to enjoy the game and raise vital funds and awareness for their Always In Our Heart appeal. Bucket collections will be at the game, and we will be raising the profile for this wonderful cause, and our Charity of the Year!

Charitable & Commercial Partner Networking & Meet The Manager!

On Thursday 13th February, the club will be hosting another networking event for many of our charitable, commercial and trust partners at the club. Neal, the management team and several of the first team will be joining the event to answer questions, meet and greet and network with over 80 critical WFC partners. We have future fan engagement events planned for the remainder of the season with details to be shared soon!

Christmas Project 2024

I mentioned the Christmas Project in our last Column, and am delighted to announce the club in partnership with CITC raised a record breaking £7,015! A huge thank you to everyone involved.

Simon Jones,

Business Development Director
