

## Match Day Segregated Matches

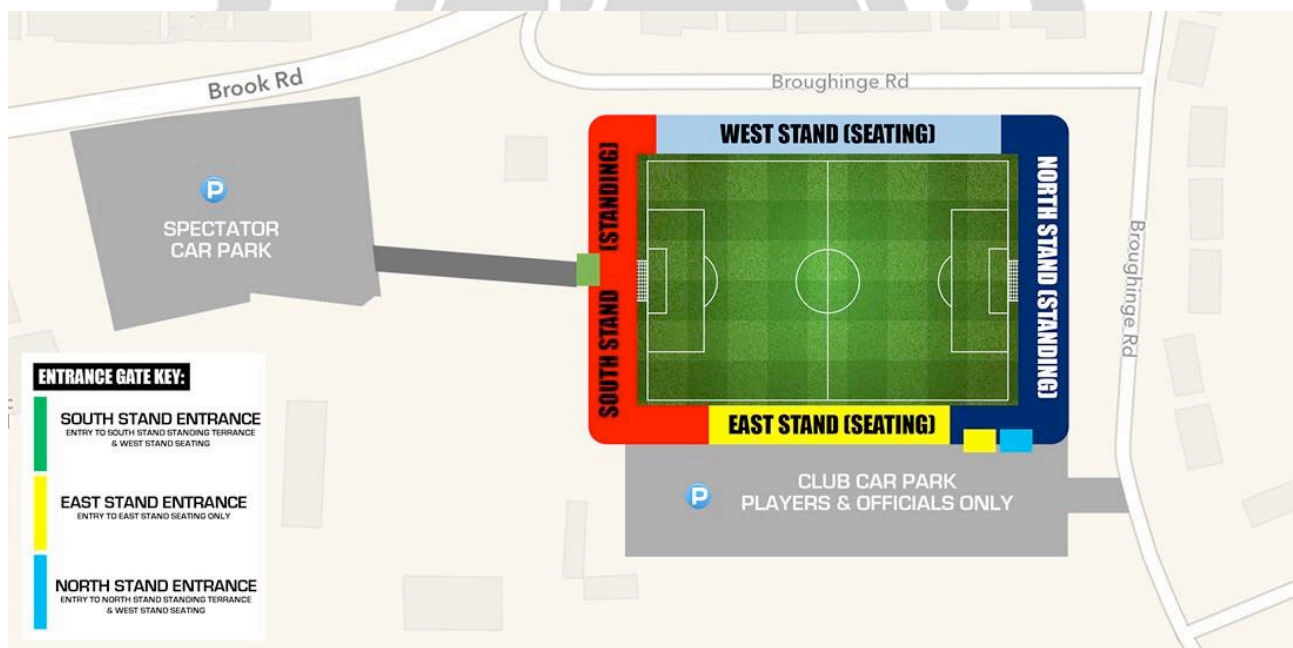

### Turnstiles & Use of Club House

For segregated matches, away supporters should be aware that they must enter **via the South Stand turnstiles only**. These turnstiles are located directly off of Brook Road public car park.

Please note that seating is available in the away section, located in the West Stand. Supporters wishing to make use of this seating area should also enter via the South Stand turnstiles and make their way to the seats once inside the stadium. Stewards will direct supporters once through the turnstiles.

For segregated games use of the club house is for home support only. Should a supporters coach be organised by the opposition club, and wish to make use of an alternative drinking establishment, BWFC request that this information is given to them at the earliest opportunity, to ensure this is included in pre-match safety planning.

*All supporters are reminded that the Club reserves the right to search all persons entering the ground and to refuse entry or to eject any person refusing to submit to a search, in accordance with BWFC ground regulations.*

BWFC Policy is to offer disabled spectators their age related rates. Required Carers are able to attend games free of charge.

Please note that proof may be asked for by our turnstile operators when entering the stadium. Please ensure you bring this with you to avoid any problems.
