GOALSCORERS

We have ordered this season's goalscoring chart alphabetically in the table below, Re-order it with the highest number of goals at the top and the lowest at the bottom.

Once you have completed that, move on to answer the questions about the newly re-ordered goalscoring chart.

A) Which player scored the 3rd highest number of goals?

B) How many players jointly scored the fewest number of goals in the chart?

C) How many goals did Jake Hyde & Dave Tarpey score altogether?

D) How many goals were scored in total?

E) Which players scored half as many goals as Max Kretzschmar?

F) How many goals did the players in 3rd, 4th, and 5th place score in total?

G) How many players scored an odd number of goals?

H) If the player in 3rd place scored three times as many goals as he did, which position would he move up to?
